Independent Auditor's Report

To the Board of Directors of
Redlands Christian Migrant Association, Inc.

Report on the Financial Statements

We have audited the accompanying financial statements of Redlands Christian Migrant Association, Inc. (RCMA) (a not-for-profit organization), which comprise the statement of financial position as of June 30, 2018, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to on page 1 present fairly, in all material respects, the financial position of Redlands Christian Migrant Association, Inc. as of June 30, 2018, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying Schedules I, II, III and IV (pages 17 – 19) are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Report on Summarized Comparative Information

We have previously audited Redlands Christian Migrant Association, Inc.'s 2017 financial statements, and expressed an unmodified audit opinion on those audited financial statements in the report dated October 4, 2017. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2017, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 5, 2018, on our consideration of RCMA's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of the audit performed in accordance with *Government Auditing Standards* in considering RCMA's internal control over financial reporting and compliance.

Note 1 Organization and Purpose

Redlands Christian Migrant Association, Inc. (RCMA and/or the Organization) was incorporated as a not-for-profit organization under the laws of the State of Florida in 1965. RCMA's purpose is to administer child care, and early childhood education centers for the children of migrant and seasonal farm workers whose families' total income does not exceed an amount over the poverty levels as defined by the funding agencies. RCMA achieves its purpose through a variety of programs funded substantially by federal and state grants and individual contributions.

In addition, the Organization serves as the sponsor for three charter schools with the school districts of Hillsborough County Public District School Board and the Collier County Public District School Board. The current charters are effective for a maximum of five (5) years and may be renewed by mutual written agreement between the Schools and the Districts for an additional five year period.

Note 2 Summary of Significant Accounting Policies

Basis of Financial Statements Presentation and Significant Estimates

The significant accounting policies described below have been identified as those which impact the reader's understanding of the Organization's basis of financial statement presentation and those that require significant estimates and judgment on the part of management.

Reporting Requirements

The accompanying financial statements include the accounts of RCMA and those of the charter schools' programs and have been prepared in accordance with generally accepted accounting principles and reporting practices for this industry. The accounts of RCMA are maintained on the accrual basis of accounting and in accordance with the principles of fund accounting, in order to ensure observance of the limitations and restrictions placed on the use of its resources. Such funds are grouped into the following categories:

General The general fund is used to reflect the Organization's unrestricted activities that are not directly related to its major programs.

Programs

Type "A" RCMA's type "A" Programs are those with a negotiated rate where the excess of support and revenue over expenses inure to the benefit of the Organization while the excess of expenses over support and revenue become liabilities.

Type "B" The type "B" Programs are those that are funded on a cost reimbursement basis (line item contracts) where the excess of support and revenue over expenses are available for future periods or must be refunded to the funding agencies upon termination of the programs (see temporary restricted net assets on the following page).

Note 2 Summary of Significant Accounting Policies (continued)

For external reporting purposes the information regarding its financial position, activities and cash flows is presented according to the following three classes of net assets:

Unrestricted Unrestricted group reflects the Organization's unrestricted activities that are not subject to donor-imposed stipulations.

Temporarily Restricted Temporarily restricted group reflects the Organization's activities and resulting net assets from donors' restricted contributions that the Organization feels will be met, either by the passage of time or by actions of the Organization. In addition, there is temporarily restricted cash for Scholarships and Hurricane Funds.

Permanently Restricted Permanently restricted group reflects the Organization's activities and resulting net assets from contributions and other inflows of assets whose use by the Organization is limited by donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of the organizations. The Organization has no permanently restricted net assets.

In this connection, all donor-restricted support will be reported as an increase in temporarily restricted or permanently restricted net assets depending on the nature of the restriction. When a restriction expires, temporarily restricted net assets will be classified to unrestricted net assets. Therefore, support that is restricted by the donor will be reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized.

RCMA's contracts for the **type "A" programs** provide for specific performance in exchange for the price paid under the contracts; and therefore, those contracts are treated as exchange transactions. RCMA deems that it has performed under the terms of such contracts; and, accordingly, the amounts received and/or receivable under such contracts are unrestricted. However, certain transactions in the **type "B" programs** are recorded in the temporary restricted funds. As previously described above, the line item reimbursement programs are those that fund RCMA on the cost reimbursement basis. The net assets on these programs reflect an excess support and revenue over expenses resulting from the reimbursements for property and equipment, which is, recorded as capital assets less depreciation in accordance with generally accepted accounting principles. The book value of such capital assets is included in the temporary restricted net asset column with any other restricted contribution received during the year. The depreciation in all type B programs represents a reduction on the temporary restricted net assets since such depreciation represents the allowed use of the property for that period.

Note 2 Summary of Significant Accounting Policies (continued)

Comparative Financial Statements

The financial statements include certain prior-year summarized comparative information in total, but not by net asset class. In addition, the statement of functional expenses includes prior year summarized information in total but not by functional category. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended June 30, 2017, from which the summarized information was derived.

Estimates

In preparing the financial statements of the Organization, management had to make estimates and assumptions that affected the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities as of the balance sheet date, and the revenues and expenses for the period then ended. Such estimates are based on historical experience and other assumptions that are considered appropriate in the circumstances. However, actual results could differ from those estimates and these differences may be material.

Donated Space, Materials and Services

Donated space and materials are reflected in the accompanying statements at their fair value, using a valuation based on observable quoted prices for similar assets in active markets as established by the hierarchy of fair market value measurements. Donated space absent donor restrictions are recorded as unrestricted. Donated services have not been reflected in these statements, since they did not "create or enhance non-financial assets" or "require specialized skills" and would typically be purchased if not provided by donation as required for recognition under generally accepted accounting principles. However, these donations meet the matching requirements of various grants. A substantial number of volunteers have donated significant amounts of time to RCMA.

Cash and Cash Equivalents

The Organization considers investments in highly liquid debt instruments with maturity of three months or less to be cash equivalents. The Organization's bank balances are invested daily with the bank's investments, which are substantially Treasury bills.

Accounts Receivable - Grants and Other

RCMA considers accounts receivable to be collectible; accordingly, no allowance for doubtful accounts is required. When amounts are determined to be uncollectible, they are charged to operations.

Note 2 Summary of Significant Accounting Policies (continued)

Property and Equipment

Property and equipment is recorded at cost when purchased or constructed, or at market value when donated. The Organization capitalizes all expenditures in excess of \$5,000 for property and equipment at cost. Donations are reported as unrestricted support unless the donor has restricted the donated asset for a specific purpose. Property and equipment acquired with certain federal funds may have to be returned to the funding agency upon termination of the program. The funds received for the purchase of such property is recorded as temporarily restricted. The annual depreciation charge on those assets is reflected as net assets released from restriction. Expenditures for major renewals and betterment that extend the useful lives of property and equipment are capitalized. Expenditures for maintenance and repairs are charged to expense as incurred.

Depreciation is included in the statement of activities and is computed on the straight-line basis over the estimated useful life of the assets.

Long-lived assets are reviewed for impairment when circumstances indicate that the carrying value of an asset may not be recoverable. If the carrying value is impaired, the long-lived assets will be written down to their fair market value with a corresponding charge to earnings. No such impairment was recorded for the year ended June 30, 2018.

Transfers

To the extent that funds are released from their restrictions and/or designated purpose, the amounts released will be accounted for as increases in the unrestricted net assets.

Income Taxes

RCMA is organized as a not-for-profit organization and is exempt from income taxes under Section 501(c) (3) of the Internal Revenue Code. However, income from certain activities not directly related to the Organization's tax-exempt purpose is subject to taxation as unrelated business income. Income taxes for such unrelated business income approximated \$39,000 and \$20,800 in 2018 and 2017, respectively. The Organization's information returns filed with the Internal Revenue Service have not been examined in the past. The Organization is not aware of any uncertainties that could jeopardize its not-for-profit status. Therefore, no provision or liability for income taxes is deemed necessary.

RCMA follows the provisions of uncertain tax positions addressed by FAS ASC 740-10 *Accounting for Uncertainty in Income Taxes*. RCMA has no uncertain tax positions at June 30, 2018, for which the ultimate deductibility is highly certain but for which there is uncertainty about the timing of such deductibility. The Organization recognizes interest accrued related to unrecognized tax benefits in interest expense and penalties in operating expense, if applicable. RCMA has determined that no amount is required to be accrued for taxes or related penalties and interest for any tax position taken through June 30, 2018.

Note 3 Property and Equipment

Property and equipment comprise the following:

	June 30,		Useful Life (Years)
	<u>2018</u>	<u>2017</u>	
Land	\$ 2,365,077	\$ 1,873,779

Depreciation expense amounted to \$3,160,252 and \$2,919,522 for 2018 and 2017, respectively.

Note 4 Long-Term Debt

Long-term debt consists of the following:

	June 30,	
	<u>2018</u>	<u>2017</u>
Bonds payable (1)	\$ 2,225,000	\$ 2,420,000
Line of credit converted to term note (2)	1,840,872	1,882,774
Mortgage payable (3)	715,404	786,351
Variable rate term loan (4)	1,336,368	-
	<u>6,117,644</u>	<u>5,089,125</u>
Less current portion (inclusive of sinking bonds requirements)	385,808	313,880
	<u>\$ 5,731,836</u>	<u>\$ 4,775,245</u>

Note 4 Long-Term Debt (continued)

- (1) The bonds payable were originally requested for \$4,400,000 Collier County Industrial Development Authority (the Authority) 25 years, Series 2001 Bonds, for the purpose of lending RCMA the proceeds from the sale of such bonds to construct an educational and social service center in Immokalee, Florida. In this connection, RCMA entered into two simultaneous agreements: 1) a loan agreement with the Authority and 2) a letter of credit and reimbursement agreement with a bank. The agreement with the bank provided for the opening of an irrevocable direct payment letter of credit in the amount of \$4,450,630 in favor of a trustee appointed by the Authority, responsible among other things, for the collection of the amounts due from RCMA. RCMA will pay the bank .5% of the amount available under the letter of credit agreement computed as specified in the agreement. In addition, the letter of credit and reimbursement agreement provided for RCMA to set-up a sinking fund to cover the payment of the principal due on the bonds. RCMA's originally scheduled monthly payment into the sinking fund, which started on December 1, 2002 at \$7,500 a month, was to escalate each year up to \$26,250 a month in the year that the bonds were to mature (2026). However, RCMA has made advanced payments into the sinking fund, and the trustee and RCMA agreed to reduce the amount of the bonds payable and change the scheduled payments into the sinking fund. The payment schedule detailed on page 13 reflects the new sinking fund requirements for the retirement of the bonds payable. RCMA's sinking fund balance at June 30, 2018 is utilized to cover the sinking fund requirements for 2018.

Interest on the bonds is payable monthly at the market rate of the tax free bonds computed weekly as specified in the agreement. RCMA has the option to convert its variable interest rate to a fixed interest rate in which case the interest will be paid semi-annually, or to a flexible rate period.

The agreement with the bank provides for certain reporting requirements, the maintenance of a fixed charge coverage ratio, and limits RCMA additional borrowings to \$300,000 without the bank's previous written consent. The bank will retain a security interest on the building and on the sinking funds.

- (2) In 2015, the Organization obtained a \$1,914,200 line of credit to finance the construction of the Dover Child Development Center. In this connection, upon completion of the construction in 2016, the Organization procured a 30-year term loan from the United States Department of Agriculture-Rural Development, secured by the Organization's real property, to pay-off the existing line of credit. The term loan is due \$7,879 a month at 2.813% interest a year until September 2046.

Note 4 Long-Term Debt (continued)

- (3) In 2017, the Organization borrowed \$810,000 secured by the Organization’s real property to finance the construction of the South Highlands Child Development Center. The mortgage is due \$5,912 of principal a month at 3.750% interest a year until April 2021. In any event, on the last day of the Repayment Period, the Organization will repay the remaining principal balance plus any interest then due.
- (4) In 2017, the Organization borrowed \$1,400,000 to acquire the real property located at 440 Academy Drive, Mulberry, Florida. The term loan is due on a monthly incremental principal basis at a LIBOR Daily Floating Rate plus 2.50% interest a year until July 2022. Interest rate at year end amounted to 4.59%. In any event, on the last day of the Repayment Period, the Organization will repay the remaining principal balance plus any interest then due.

Maturities on long-term debt, including sinking fund requirements are as follows:

Years Ending June 30,	Sinking Fund Payments	Maturities of Long-term Debt	Total
2020	\$ 225,833	\$ 187,913	\$ 413,746
2021	238,750	693,534	932,284
2022	250,833	123,207	374,040
2023	263,750	1,071,653	1,335,403
2024	278,750	41,902	320,652
Thereafter	766,250	1,589,460	2,355,710
	<u>\$ 2,024,167</u>	<u>\$ 3,707,669</u>	<u>\$ 5,731,836</u>

Note 5 Commitments and Contingencies

Commitments

The Organization conducts a portion of its operations from leased facilities under month-to-month operating leases. Rent expense aggregated \$3,456,564 and \$3,362,849 inclusive of \$3,443,175 and \$3,323,861 of donated space for 2018 and 2017, respectively.

Contingencies

The Organization is subject to federal, state and local government audits. These audits could result in the questioning of expenditures relating to certain grants under various technical compliance provisions of the individual grants. In management’s opinion, there will be no adjustments resulting from future audits on grant periods through June 30, 2018, which will have a material effect on the financial statements.

Note 5 Commitments and Contingencies (continued)

Contingencies (continued)

In the normal course of business, the Organization may be involved in litigation and/or claims. As a general policy the Organizations defends matters in which the Organization is named as a defendant and, for losses, maintains insurance to protect against adverse judgements and/or claims that may affect the Organization. Although the adequacy of existing insurance coverage or the outcome of any legal proceedings cannot be predicted with certainty, the ultimate liability associated with any claims or litigation in which the Organization is currently involved will not materially affect the Organization's financial position or results of operations. As of the date of this report there is a claim against the Organization which is in the initial stages of litigation, therefore outcome is unforeseeable and amount, if any, undeterminable.

Credit Risk

The Organization's cash balances during the year were in excess of the federal insured limits of \$250,000. At June 30, 2018, the Organizations cash in excess of the federally insured limit approximated \$2,494,000. The Organization has not experienced losses to its cash and cash equivalents and management believe that it is not exposed to significant risks in this regard.

Self-Funded Health Insurance

On June 1, 2013, the Organization entered into an agreement with its existing health insurance carrier to fund all the medical claims of its eligible employees and administrative costs up to a maximum of \$150,000 per claim as defined in the agreement. The agreement provides, among other things, for the carrier to administer the acceptance of members and to process the payment of all acceptable medical claims from eligible participants up to the specified amount. Any claims in excess of the specified ceiling of \$150,000 are covered by a "Stop Loss Provision" under the agreement.

The Organization is now recording the cost of health benefits to its employees based on the carrier's computed estimates of such costs based on the Organization's past experience and a portion of the cost related to the "Stop Loss Provision".

The period costs are always adjusted for an estimate of the participants' medical claims incurred but not processed as of the end of each fiscal year and actual results. The Organization's cost of health benefits for participants amounted to \$5,226,377 and \$3,863,031 for the years ended June 30, 2018 and 2017, respectively, which has been included in payroll taxes and fringe benefits in the statement of functional expenses. As of June 30, 2018 and 2017 the Organization has included in accrued payroll, vacation and sick leave and other expenses and in cash set aside for future health benefits on the statement of position, a total amount of \$703,203 and \$987,166, respectively, in order to cover the unpaid claims at the end of the respective years.

Note 6 Employees' 403 (b) Thrift Plan

The Organization's Thrift Plan provides that all eligible employees may contribute up to 20% of their salary. RCMA matches employee contributions based on employee's length of employment up to 5%. In addition, RCMA has a similar defined contribution plan for the certified teachers in the charter schools (a program of RCMA) at slightly higher matching requirements. In addition, eligible employees may also contribute into a ROTH IRA which RCMA also matches. Pension plan expenses for the years ended June 30, 2018 and 2017 aggregated to \$868,313 and \$834,219 respectively.

Note 7 Matching Funds Requirement

As further explained in Note A to the financial statements, RCMA receives most of its funds from two types of contracts (performance and line item reimbursement contracts). Such contracts require that a portion of the total program cost be contributed by other sources as defined by the contract and/or regulations (matching funds).

RCMA's satisfaction of the matching requirements in such programs may be viewed as follows:

	<u>Amount</u>
Head Start – Migrant Head Start	\$ 3,036,280
Head Start and Early Head Start	2,863,706
Migrant Early Head Start CCP	425,745
Head Start and Early Head Start CCP	95,523
School Readiness	546,161
Child Care Executive Partnership	<u>375,564</u>
Match required	7,342,979
Eligible match submitted	<u>7,990,669</u>
Surplus match	<u><u>\$ 647,690</u></u>

Note 8 Business and Credit Concentration

RCMA's childcare business is concentrated in the rural areas of Florida and is impacted by the general economy. The demand for child care services in rural Florida and the continuous number of eligible children on waiting lists is indicative of a strong base in the business of child care centers. However, RCMA's childcare services are substantially paid for by government grants. For the year ended June 30, 2018, RCMA revenues derived from state and Federal grants approximated to \$61,200,000 or 84% of total revenues and contributions. Governmental work may be significantly impacted by budget allocations and consequently an adverse change in any of these factors could affect the Organization's operations.

Note 9 Designated For Endowment Fund

RCMA has been named the beneficiary of endowment funds held by the Community Foundation of Collier County (Collier) and administers funds held by the Community Foundation of Tampa Bay (Tampa) for the benefit of farm worker families' education. Funds from Collier County are to be used in RCMA's operations or programs (unrestricted). At June 30, 2018, the balance in such endowment amounted to \$15,525. The amount of funds received from Tampa in fiscal year 2018 but not yet disbursed is included in temporarily restricted cash in the accompanying statement of position. The funds received from the Tampa endowment funds are used by RCMA to provide scholarships to individuals from farm worker backgrounds. Recipients of scholarship funds are selected by an independent committee made up of RCMA's staff and board members. The balance remaining in the Tampa endowment at June 30, 2018 amounted to \$489,393.

Note 10 Hurricane Funding

During the current fiscal year ended June 30, 2018 the Organization received Hurricane funding to help families that experienced losses from such natural disaster in Florida. These monies have been reflected in the Statement of Activities as hurricane revenue and amounted to \$951,207.

Note 11 Subsequent Events

Subsequent events have been evaluated through October 5, 2018 which is the date the financial statements were available to be issued.

To the Board of Directors of
Redlands Christian Migrant Association, Inc.

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Redlands Christian Migrant Association, Inc. (RCMA) (a not-for-profit organization), which comprise the statement of financial position as of June 30, 2018, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 5, 2018.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered RCMA’s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of RCMA’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether RCMA's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report on Compliance for Each Major Federal Program and State Project

We have audited the Redlands Christian Migrant Association, Inc.’s (RCMA) (a not-for-profit organization) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* and the requirements described in the *Department of Financial Services’ State Projects Compliance Supplement*, that could have a direct and material effect on each of RCMA’s major federal programs and state projects for the year ended June 30, 2018. RCMA’s major federal programs and state projects are identified in the summary of auditor’s result section of the accompanying schedule of findings and questioned costs.

Management’s Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs and state projects.

Auditor’s Responsibility

Our responsibility is to express an opinion on compliance for each of RCMA’s major federal programs and state projects based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America and, the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Additionally, our audit was conducted with the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), *Audits of States, Local Governments, and Non-Profit Organizations*; and Chapter 10.650, Rules of the Auditor General. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program or state project occurred. An audit includes examining, on a test basis, evidence about RCMA’s compliance with those requirements and performing such other procedures as we considered necessary in those circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program and state project. However, our audit does not provide a legal determination of RCMA's compliance.

Opinion of Each Major Federal Program and State Project

In our opinion, RCMA complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended June 30, 2018.

Report on Internal Control Over Compliance

Management of RCMA is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to on page 1. In planning and performing our audit of compliance, we considered RCMA's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program or state project to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and state project and to test and report on internal control over compliance in accordance with the Uniform Guidance and Chapter 10.650, Rules of the Auditor General, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of RCMA's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program or state project on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state project will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with the type of compliance requirement of a federal program or state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over

compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Schedule of Expenditures of Federal Awards and State Projects Required by the Uniform Guidance and Chapter 10.650, Rules of the Auditor General

We have audited the financial statements of Redlands Christian Migrant Association, Inc. as of and for the year ended June 30, 2018, and have issued our report thereon dated October 5, 2018, which contained an unmodified opinion on those financial statements. Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards and state financial assistance (pages 4-6) is presented for purposes of additional analysis as required by the Uniform Guidance and Chapter 10.650, Rules of the Auditor General and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards and state financial assistance is fairly stated in all material respects in relation to the financial statements as a whole.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and results of that testing based on the requirements of the Uniform Guidance, and Chapter 10.650, Rules of the Auditor General. Accordingly, this report is not suitable for any other purpose.

 Schedule of Federal Awards and State Financial Assistance.

Note 1 Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards and State Financial Assistance (the Schedule) presents the activity of all federal and state award programs of Redlands Christian Migrant Association, Inc. (the Organization) for the year ended June 30, 2018. The information in this Schedule is presented in accordance with the requirements of *the Uniform Guidance, Audits of States, Local Governments, and Non-Profit Organizations*, and Rules of the State of Florida Office of the Auditor General Chapter 10.650 under Section 215.97 of the Florida Statutes. Because the Schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets or cash flows of RCMA.

Note 2 Summary of Significant Accounting Principles

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Therefore, the amount of expenditures presented in this schedule may differ from amounts presented in, or used in the preparation of the basic financial statements.

Note 3 Contingencies

Grant monies received and disbursed by the Organization are for specific purposes and are subject to review by the grantor agencies. Such audits may result in requests for reimbursement due to disallowed expenditures. Based on prior experience, the Organization does not believe that such disallowances, if any, would have a material effect on the financial position of the Organization. As of June 30, 2018, management is not aware of any material questioned or disallowed costs as a result of grant audits in process or completed.

Note 4 Subrecipients

The Organization records expenditures of federal programs and state projects when paid in cash to a pass-through entity. For the year ended June 30, 2018, the Organization did not pass-through any funds to subrecipients as reflected in the Schedule.

Note 5 Indirect Cost

The Schedule includes a portion of allocated costs from a federally approved indirect cost plan. The rate approved for RCMA for the year ended June 30, 2018 is 15% of salaries. The rate is considered a provisional rate which is used when a final, predetermined or fixed rate has not been established for a guarantee. Although the approved rate for RCMA is 15%, not all grants pay this percentage. Grants not using the predetermined rate did not elect to use the ten percent de minimis indirect cost rate allowed under the Uniform Guidance.

Note 6 Subsequent Events

Subsequent events have been evaluated through January 24, 2019, which is the date the financial statements were available to be issued. There were no events of this nature requiring recording or disclosure in the Schedule for the year ended June 30, 2018.
