Last week, Kinder through 3<sup>rd</sup> grade had the opportunity to enjoy Diane Keyes as she shared her love of puppetry and storytelling with our scholars. Ms. Keyes is employed by The Literacy Alliance which is a non-profit in central Florida that provides educational resources and training opportunities for children and adults in the area. Ms. Johnson met her through a former teacher of RCMA, Ms. Shea. Her puppet shows are interactive and involve students which make them even more exciting. Ms. Keyes is also interested in teaching 4-5 Middle School scholars to become puppeteers and host puppet shows for our younger scholars who aren't really able to go to the library. The Middle School scholars would act out stories to get our younger scholars more interested in reading books. If you are interested in learning how to become a puppeteer, please see Ms. Johnson.
