- Sunday birthday: Alex De Los Santos

Principal's Message

On Valentine's Day, the middle school Mathletics Department took 89 scholars who met or surpassed assessment goals for FAST Math PM 2 and/or the Winter administration of the MAP Math assessment to Main Event in Wesley Chapel. Scholars were able to enjoy a pizza lunch, a variety of interactive games, bowling, laser tag, and a ropes course.

Everyone had an amazing time. Thank you to all of the scholars who put in the hard work in math to attend, and a special thank you to the chaperones and bus drivers who helped the field trip go off without a hitch.

A quote from one of the chaperones, Ms. Paulsboe about the ropes course:

"I was so proud of them, as many challenged themselves to complete the course despite their fear of heights. Plus, encouraging them distracted me from my own. 😊 It was pretty intimidating."
