Principal's Message

For over a decade, Wimauma Community Academy has offered Saturday school from 8:00 – 11:00 for students. Teachers at RCMA are truly dedicated in supporting their students' academic growth and success. Having school on Saturday offers a valuable opportunity for those who want to improve their grades or who need extra help to receive personalized attention and support beyond regular school hours. Having a team of committed educators like Ms. Stobbs, Mr. Hernandez, Ms. Paulsboe, Ms. Viramontes, Ms. Garcia, Ms. Santana, Ms. Johnson and Ms. Marisela shows the collaborative effort in ensuring every student reaches their potential. Waking up extra early to ensure students get to school on time is a testament to Mr. Armando and Ms. Vargas's dedication and commitment to WCA and is greatly appreciated. Thanks TEAM for making this possible!
