Principal's Message

Two members of the Kiwanis Club of SouthShore, including June Wallace, visited our school on Monday, February 19 to distribute copies of The Illustrated Picture Dictionaries and related Teacher Resource Book. The Illustrated Picture Dictionary was written by Janet (Jan) Caruthers, who is a retired teacher who used to teach at Wimauma Elementary School. The book was written with the needs of beginning English language learners in mind. To prepare for the donation, teachers in Grades 1-3 watched a video created by Ms. Caruthers on how to best use the Dictionaries. Individual copies of The Illustrated Picture Dictionaries were given to each 2nd grader in the cafeteria the day of the donation; students were asked to find and share some pages that they liked. In addition, copies of a hand-held size version of a Constitution Books were given to Diego Hernandez, Middle School Social Studies Teacher.

June M. Wallace has helped support RCMA Wimauma Community Academy for many years, through her work as the Founder of the Campaign against Human Trafficking - South Shore, and as a local member of both the Kiwanis Club and the Soroptimist International Club.
