Itzel's favorite subject at Wimauma Community Academy is art, and it really shows by her wonderful Christmas tree picture. After school she likes to draw, but also plays soccer with her brother. She hopes to become a teacher one day, and work her way up top school principal.

RCMA provides quality early childhood programs, education, and support services to rural low-income children, ages infant through eighth grade. Using a thematic and integrative approach, RCMA focuses early on language and math while increasing self-esteem and social skills.
