a. Director of Charter Schools

Juana Brown, Director of Charter Schools, outlined information on the five-year CSGF budget plan, which prioritizes funding for transportation, summer and after-school programs, and ongoing support. These efforts aim to address pivotal gaps and promote academic success across all three schools. The budget includes both operational and academic needs.

Barbara Mainster Rollason requested clarification on how funds are allocated in the five-year plan, specifically, whether the budget covers only operations or additional areas. The Finance Committee will convene before the next School Board meeting to review the proposed budget and discuss the five-year strategic loan.

Larry Salustro asked about the status of the Schools of Hope loan. Juana Brown reported that, unlike last year, RCMA received the funds earlier this year. The Board Chair recommended postponing further discussion of the Memorandum of Understanding (MOU) Loan from Immokalee Community Academy to Mulberry Community Academy until the October meeting.

Ashley Johnson, Principal Manager, shared updates on summer school enhancements, including increased academic support, field trips, and literacy opportunities. She also presented data from three academic dashboards, highlighting student progress and recent successes.

9) General Discussion

- a. 2024-2025 Wimauma Community Academy (WCA) Graduate Support Report
Diana Perez, RCMA Wimauma Graduate Support staff, shared data detailing the number of WCA alumni successfully graduating high school. This year’s results demonstrate the value of graduate support for alumni throughout the four years of high school. This year’s data is the best yet, with all but one student graduating successfully from high school.

Support for transitioning students is critical, whether it be from early childhood to Kindergarten, eighth to high school, or through high school and beyond. WCA’s PK to Kinder Transition pilot, funded by Conn Foundation, is an example of what collaboration can help realize.

- b. The Krome Educational Fund Scholarship Awards – Fall 2025
Ansberto Vallejo, RCMA Krome Scholarship Committee Chair, provided an overview of the scholarship program, presenting a list of recipients and sharing their career paths and college choices. He highlighted the success of Freddy Jimenez, an RCMA alumnus, DACA recipient, recipient of the Krome Scholarship award, and recent graduate from Washington State University. Board member Barbara Mainster Rollason encouraged fellow members to consider serving as mentors to these students.
